

BTD

TOOL DESIGNER

BTD is looking for a talented **die designer** for our Lakeville, Minnesota facility. Our team of creative tool designers, die makers, and CNC operators are committed to producing tooling that meets strict quality standards for our customers in a clean and safe environment.

The ideal candidate is looking for an opportunity to grow with a company with high standards for quality, and keeps pace with changing technology in the industry. You must have strong mechanical ability and 3-5 years of previous CAD experience. SolidWorks experience and a background as a toolmaker is a plus.

We offer competitive wages and benefits and a great working environment. All employment offers are contingent on the successful passing of drug screening and pre-employment physical.
