CNC Lathe Machinist (2nd Shift) \$2,000 Hiring Bonus!!

Exlar is a global leader in the design and manufacture of high performance electro-mechanical linear actuators and rotary motors for motion control applications. We are a configure to order, high-growth company. Our Machine Shop is seeking a qualified CNC Lathe Machinist for second shift (Monday – Thursday 3:00 p.m. – 1:30 a.m.) who can work independently and enjoys a challenge. Second shift employees are also eligible for a \$1.00 per hour shift differential in addition to their base hourly wage.

This individual will be responsible for producing metal parts to specifications using CNC machine tools. Must have the ability to create machine programs, perform basic machine set-up, make offsets in programs and perform quality audits and routine maintenance.

The ideal candidate will have a trade school degree in CNC machining and two years experience or five years of experience in lieu of a degree. Experience running a Mori Seiki NL2000/SMC/500 with live tools and sub-spindle or a Mori Seiki NL1500 with live tools, sub-spindle and Y-axis is desirable. This person must be able to program using the controls on the machine and have a clear understanding of GD&T.

This person must be able to read blue prints, use general inspection equipment and be able to lift up to 50 pounds.

Exlar provides a stimulating work environment that will enable you to discover your true potential. We are looking for someone that is smart, inventive and passionate about their work, who can meet the challenge of working for a market leader. If you desire the challenge associated with a rapidly growing company and thrive in an environment where individuals are recognized for their personal contribution as well as their team effectiveness, then contact us!

For more information about our company or products, please visit our website at www.exlar.com. We offer competitive pay and benefits including medical, dental, long-term disability, matching 401(k), vacation, holiday and sick pay. If you would like to work for a company where your performance makes a difference please submit your resume and salary requirements by email to hr@exlar.com or by postal mail to Human Resources, 18400 West 77th Street, Chanhassen, MN 55317.
