Machine Tool - Industrial Sales – Fargo, ND

Position Title: Outside Sales Representative, Fargo, ND

Job Description:

A territory salesperson is defined as an individual specifically hired for the purpose of promoting, selling, and servicing, to the best of his/her ability, any and all products so represented by Midwest Machine Tool Supply.

Requirements:

Midwest Machine Tool Supply's branch operations are in Fargo, ND and we are looking for an aggressive Outside Sales Representative to increase sales in North and South Dakota. This is a newly opened stocking facility to inventory and service the industry for this area.

You must be an achiever with an above average drive to succeed. You must thrive in a goal oriented work environment.

Other requirements include:

- Exceptional communication skills
- Strong skills in relationship building
- Technical education and/or technical and sales experience
- Self-motivated
- The ability to sell solutions
