

Energy Smart – Money Savvy

- Presented by: Jill Curran, Program Manager at Energy Smart
- Thursday, March 18, 2010 11:00 a.m. – 1:00 p.m.
- Doubletree Hotel Minneapolis Park Place
1500 Park Place Blvd. - Minneapolis, MN 55416

Today, manufacturing companies are looking for unique opportunities to reduce expenses. Saving money can be as easy as changing your light bulbs!

Energy Smart helps businesses with a wide variety of energy efficiency needs. They can help your company find financial incentives for energy-efficiency upgrades such as rebates and grants, arranging energy audits, conducting site visits to identify no- and low-cost energy-saving opportunities and answering questions regarding potential upgrades. They also assist businesses seeking the Energy Star Building & Plants label. Energy Smart helps guide businesses through the upgrade process so they ultimately lower their energy usage and save money.

Come learn more about Energy Smart and how they can help your business become more energy efficient and save money.

Jill Curran
Program Manager –
Energy Smart

Jill has been with the Energy Smart program since its launch in 2008. She has worked with and for businesses of all sizes. As a co-founder of a successful business herself, she understands the economic realities associated with running a business.

Energy Smart is a program run through Minnesota Waste Wise, a nonprofit affiliate of the Minnesota Chamber of Commerce that helps Minnesota businesses save money through energy efficiency.
