

Preserve the Programs

GET ENGAGED

2010 GRAND VIEW SUMMIT

April 29, 2010

NATIONAL SPORTS CENTER • SCHWAN CENTER - BLAINE
1700 105th Ave NE • Blaine, MN 55449

WHAT IS THE GRAND VIEW SUMMIT?

Sponsored by the Minnesota Precision Manufacturing Association, the Grand View Summit is a unique opportunity to bring together educators and business people for one purpose: to get a "grand view" of technical education and workforce development in Minnesota. The summit was created to compliment the bi-ennial Grand View Conference. It is designed to help continue the relationships formed at the Grand View Conference, and keep the momentum flowing between each conference.

"Preserve the Programs. GET ENGAGED" is the theme for the 2010 Summit, and will focus on encouraging industry to support education, and to inspire education to enlist the help of industry in order to keep students interested in manufacturing careers.

WHY ATTEND?

If You Are an Educator

- Learn more about technical education programs with proven results
- Network with businesses in your area who want to support your technical education programs
- Learn about the challenges industry faces today and how you can best prepare your students for careers in manufacturing

If You Are a Business Owner or Employee

- Find out what other businesses are doing to support the schools in their area
- Discover ways you can help keep local technical education programs alive
- Network with schools in your area - the pipeline for your future employees

AGENDA: (speakers and topics subject to change)

3:00 - 3:30 p.m. Registration, Networking, Resource Exhibits Open

3:30 p.m. Attendee Welcome
