**SENATOR FRANKEN TO TOUR MINNESOTA PRECISION MANUFACTURING
ASSOCIATION MEMBER COMPANY**

MINNEAPOLIS, Minn. — On Friday, September 3, Senator Al Franken (D-Minn.) will tour Haberman Machine and meet with leaders in precision manufacturing education to discuss the importance of addressing the worker shortage in manufacturing in Minnesota.

The tour, which will also include a roundtable discussion on industry and educators coming together to address workforce shortages, is one hour. The tour will last from 10:30 a.m. – 11:30 a.m.

Family owned and operated for over 25 years, Haberman Machine is a precision machining job shop offering a full range of machining services that include product design, milling, turning and welding. Experienced with exotic metals and an extensive knowledge base in prototype development, Haberman's employees can support all of your needs. Haberman Machine is a member of the Minnesota Precision Manufacturing Association.

For over 50 years MPMA has been the leading voice of the precision manufacturing industry in Minnesota. MPMA introduces, leads and supports the initiatives and education that keep manufacturing in Minnesota a strong and vital component of the state's economy. For more information visit www.mpma.com or call 952.564.3041.
