***PRECISION MANUFACTURING JOURNAL WINS AWARD IN ASSOCIATION TRENDS ALL-MEDIA CONTEST***

MINNEAPOLIS, Minn. — The Minnesota Precision Manufacturing Association (MPMA) announced today that its industry publication, *Precision Manufacturing*, received an award in the Association TRENDS All-Media Contest. *Precision Manufacturing* received the Bronze Award in the Trade Association Magazine category.

The All-Media Contest received over 400 submissions in 26 categories.

Association TRENDS is the national newspaper for association executives and suppliers for the latest news, information and trends in association management for the professional staff of international, national, state, regional and local voluntary organization. For more information, visit [www.associationtrends.com](http://www.associationtrends.com).

In 2008, the publication received the Award of Communications Excellence for a Periodical Magazine/Journal from the Midwest Society of Association Executives.

*Precision Manufacturing* is one of the largest and longest running magazines devoted to manufacturing in the United States. *Precision Manufacturing* provides readers with a variety of pertinent information, such as a development in international trade, suggestions for effective marketing and advances in precision machining equipment. In 2009, the publication launched its enhanced online version connecting readers across the globe.
